AW23-015

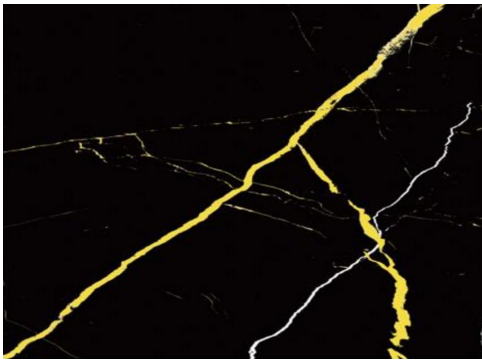

A large rectangular panel of white marble with gold veins and a watermark 'AOWEI'. The marble has a complex, organic pattern of white and light grey veining, with several prominent, irregular veins of gold-colored material running through it. The panel is set against a dark, textured background, possibly a wooden floor or a workbench. The watermark 'AOWEI' is centered on the panel in a light grey, sans-serif font.
